## **IMPROVISATIONS ON HYMNS FOR THE ORGAN: LESSONS FROM PAUL MANZ**

A VIRTUAL PRESENTATION BY  
**Michael D. Costello**

**Thursday, January 14, 2021  
7:00-8:15 p.m.**

**Please join the Zoom meeting between 6:45 and 7:00 p.m.  
Watch for an email with the link several days before the meeting.**

From chorale preludes to hymn accompaniments and harmonizations, Paul Manz's work continues to inspire the church's song. In this session we will explore some of the compositional techniques that Manz employed to create inspiring improvisations based on hymns of the church. Exploring Manz's work will provide ideas for enriching leadership of the church's song, particularly for those who lead from the keyboard.

**The Rev. Michael D. Costello** served as Director of Music at St. Andrew's Lutheran Church in Columbia, SC, during his seminary studies at Lutheran Theological Southern Seminary. He is currently Cantor at Grace Lutheran Church and School in River Forest, Illinois, where his duties include playing the organ, directing choirs, and serving as an educator. He is also the Artistic Director of Chicago Choral Artists. Michael is best known for his creative hymn improvisations and sensitive service playing. His organ and choral compositions are published by several publishing houses, including MorningStar, Augsburg, and Concordia. Rev. Costello holds the Bachelor of Arts degree in Sacred Music from Lenoir-Rhyne University and the Master of Divinity degree from LTSS, where he also served on the adjunct faculty in music and liturgy.

## Highlights of our November 14 Chapter Program

### *The Carillon: Up Close and Personal, presented by Laura Ellis*

This was a unique and informative program, made possible through virtual technology. Laura Ellis presented to us from the University of Florida, where she teaches and performs. She began in the carillon practice studio, where she explained the history and characteristics of the carillon, and used the practice clavier to demonstrate basic playing technique. Dr. Ellis then went up into the playing chamber of the University's Century Tower, where she performed several carillon pieces at the playing clavier. This was followed by a live video tour of the bell chamber, where we could see the mechanics of the bells. She closed with slides of carillons and other types of bells in South Carolina.
